

Women's League

The same Rules will apply as the Saturday Section (above) with the following exceptions: -

1. Each team in a club shall be allowed to close two dates in the season without incurring a charge for non-fulfilment of fixture. The club secretary must give the Women's Secretary at least six weeks' notice. Once the league bulletin has been distributed to the club secretaries and the committee, any games that are not played will incur a charge from the discipline committee.
2. Players registered for a club with a team in Division 1 and Recreational Division are eligible to play in both teams with a limit of three on the number of Division 1 players participating in a Recreational Division game. A Division 1 player is classified as a player who has played four games in Division 1 within the current playing season.
